Why Choose Suzon?

Your corporate cafeteria doesn't have to be a doldrum of the same foods everyday in a stale environment. With Suzon Dining Services, you can transform the look, feel, and taste of your business dining environment. We provide full-cooking cafeterias, as well as non-cooking kiosks, to give your workplace the culinary flair found in today's hottest restaurants.

We provide a start-to-end solution for all of your corporate dining needs. From designing your eatery and staffing it, to ensuring that the freshest foods arrive daily and maintaining a rotating palette of new menu options, we handle every detail of your corporate dining for you.

Save your employees time and money, increase their productivity, and give them a place of their own to enjoy! When you choose Suzon, you'll get:

Customized Service. We can design your new dining hall, arrange corporate dining events to meet your schedule, provide and stock vending machines with top brands and maintain your corporate dining offerings to fit your space limitations and budget requirements.

Experienced Management. You won't have to worry about ordering food or serving customers—let our experience managers (and staff) arrive each day to ensure everything runs smoothly. We take the guesswork out of corporate dining so you can focus on your business.

Quality Goods. We purchase only the highest-quality foods, so your dining hall, kiosk, vending machine or sundry shop carries the very best merchandise. We use our industry connections to get you the freshest goods at wholesale prices.

*We are large enough to serve you,
but still small enough to care!*
